I am taking part in

Brake

kids walk

Five children are killed or seriously injured on British roads every day, that’s equivalent to a whole classroom of children every single week.

I will be putting my best feet forward to promote road safety and the health and planet-saving benefits of walking. I will be calling for footpaths, cycle paths, safe places to cross, slow traffic and clean traffic, because all children have a right to walk safely in their communities.

Please sponsor me and help me raise funds for Brake, the road safety charity. Your money will help Brake to support families who have lost loved ones in road crashes and campaign for safer roads.
