Quick and quirky

Two of the earliest bicycles were known as the 'Boneshaker' and the 'Penny farthing'.

How do you think they got their names?

The first bicycles had no pedals - true or false?

Tongue twisters

Try and say the following as fast as you can. Start slowly and speed up. Aim for five times in a row without laughing!

Bob bought a bike in Brighton because he was bored
 Bob bought a bike but Bob's bike's brake broke

Whose helmet?

Archie, Tyra and Hana have lost their helmets and got in a bit of a tangle trying to find them. Can you help them?
